

Core Values of the Institute

The institute managed by the Minority Christian Community, under Diocese of Cuttack, Church of North India, takes every initiative possible to inculcate the whole college environment with substantial disciplinary and ethical values. Under the care of vigilant faculties, the institute succeeds in producing students not only as academic champions, but also well versed with their socio-cultural responsibilities. Moreover, the institute being oriented to impart science based education only; it gets easy to give away value based education to the restricted stream of studies. The institute strictly believes in maintaining disciplinary decorum within and beyond its compound.

Contribution Towards Nation Building

Keeping the nation's contemporary rising GDP in consideration, the institute at the present situation would be still more proud to contribute to the nation, by adding the young generation of diligent and capable citizens. To achieve the respective goal, the faculties are first of all time-to-time trained through Workshops/ Refresher & Orientation programmes/ Conferences etc., that provides them with ample insight of Human Resource Development, as a result of which they motivate and educate their students accordingly. Moreover, mainly from its NSS wing, the institute has been able to train students to understand the worth of social justice and equality in the fast developing nation.

Imparting Knowledge with the Global Perspective

In the ever changing and revolutionalising global scenario, the institute keeps its aim high on equipping students with updated knowledge. The different departments, containing sophisticated scientific equipments, help the students come abreast with the current changes in the world of science and technology. Further, the institute

under the affiliation of Utkal University (NAAC accredited A+ University), provides Courses of Studies, quite in consideration with the top most universities around the globe. Hence, the students move ahead academically with parallel to the current trends.

Consideration of Ethical Values and Maintenance of Proper Code of Conduct

As the college is governed by the Christian Missionary, it stands as the quintessence of plural society which stays together quite harmoniously, for not only the students, but the faculties are working quite hand-in-hand while belonging to different religious communities. The institute focuses at achieving excellence in academics and proper attitudes in socio-cultural aspects, irrespective of religion, caste, creed or gender.

Technology Based Education

The institute is substantially equipped with updated technological gadgets in order to impart quality education. Almost all the rooms are provided with smart class, projectors are quite often used as teaching equipment. Moreover, the Language Lab. is well set, to teach Communicative and Soft Skills to students. For the Computer Science teaching, the I.T. Labs. are well facilitated with updated versions of both hard and soft wares. Overall, the students are taught amid the environment of technology.

Striving for Excellence

Implementing the best possible method of teaching, the Institute strives to produce achievers in the field of science and technology. It also seeks to produce morally and ethically upright future generation of the great nation. It aims to contribute its share of nation building not only in the 21st century, but for all times to come.
